STATINTL Attention:

STATINTL Reference: Contract

Dear John:

We acknowledge with thanks receipt of three (3) copies of the referenced contract. We have enclosed two (2) copies of the contract which we have executed subject to the following conditions.

In reviewing the contract we find that Part III of the Schedule fails to mention the following points which we feel should be incorporated by amendment to avoid possible misunderstandings and delays in the reimbursement of our invoices.

1. F.O.B. point -- Our prices are based on shipments F.O.B. our plant.
2. Unit Price -- Unless the unit price of \$2,800 per sextant is stated we will be unable to invoice based on unit shipments.

We will appreciate your incorporation of the above points into the contract by amendment.

Sincerely,

STATINTL
